I confirm I have paid or will pay an amount of Income tax and/or Capital Gains Tax for each tax year (6th April to 5th April) that is at least equal to the amount of tax that all the charities or Community Amateur Sports Clubs (CASCs) that I donate to will reclaim on my gifts for that tax year. I understand that other taxes such as VAT and Council Tax do not qualify. I understand the charity will reclaim 25p of tax on every £1 that I give.

Places of Worship — Houses of God

We currently have two small congregations

1. Morning Worship which typically has the traditional organ music and a modern Anglican liturgy meets at 10.30am every Sunday morning. Coffee and chat follow the service. It alternates between our two locations.

2. Sunday Celebration takes place every Sunday evening at 5pm at St. Michael's. Expect keyboard, guitars modern songs and action choruses, a short interactive story, tea, toast, crafts and discussion and interactive prayer.

Everyone one is welcome to join in either or both of services.

Like all Anglican churches we are here for everyone in the parish. We strive to keep our buildings open and welcoming for you as places to celebrate weddings and baptisms and give thanks for loved ones.

Serving the communities — Houses of Good

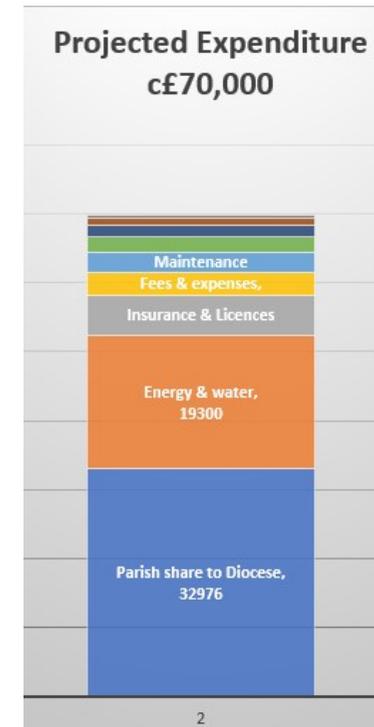

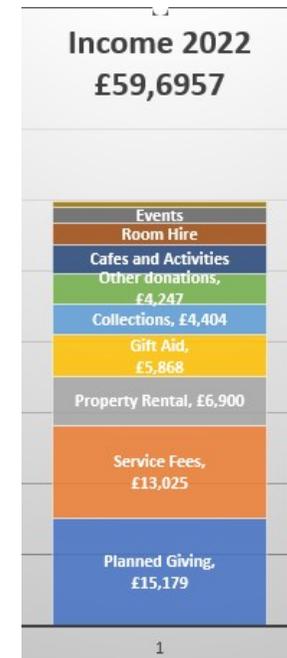

We see the greatest opportunity to serve the people in our communities as reducing social isolation and we are open whenever we can. We currently have two Place of Welcome cafes, a Toddler Group, a Warm Hub afternoon, a monthly bereavement support group plus a mens group and open youth work.

We are proud of what we do achieve with a small congregation but we need your help.

Many people think that the “The Church of England” provides us with ministry, maintains and funds our churches. In fact the opposite is true each small congregation and it's supporters contribute to the diocese

We manage to spend far less than many churches despite having three

grade II listed buildings to care for (two churches and a lych gate)

Research from the National Churches Trust in 2021 shows that the annual social and economic value to the UK of having churches is worth around £55 billion. These findings are remarkable. They show that our churches are not just Houses of God. They are also Houses of Good
